

The most comprehensive and up-to-date directory and yearbook on the Indian road sector

**Indian
Infrastructure**
Roads & Bridges
Directory and Yearbook 2023

Contents

The *Indian Infrastructure Roads & Bridges Directory and Yearbook 2023* will be the most comprehensive and up-to-date directory and yearbook on the Indian road sector.

The Yearbook section will provide the latest information on the Indian road sector – on network size and growth, progress under key programmes such as Bharatmala, the National Highways Development Programme and PMGSY, and various state-level road development programmes. The Yearbook will also look into the key trends and issues, targets and achievements and future outlook.

The Directory section will present key information regarding all leading road sector organisations, including their areas of business, key operating units, etc. It will also give the list of top managers and officials of the companies.

This information will be classified into distinct sections as follows:

- ❖ Ministries (central and state level)
- ❖ Central government agencies
- ❖ State-level agencies including PWDs, road corporations, PPP cells, etc.)
- ❖ Project developers
- ❖ EPC firms and contractors
- ❖ OMT players
- ❖ Construction equipment manufacturers
- ❖ Raw material suppliers
- ❖ Financial institutions
- ❖ Consultants
- ❖ Technology providers
- ❖ Industry associations
- ❖ Research, development and training organisations
- ❖ Etc.

Circulation and Readership

In addition to the paid subscription, the directory will be mailed with the compliments of *Indian Infrastructure* to the top decision-makers and influencers in the Indian road sector – in the central government, private sector organisations, state government agencies, financial organisations, development institutions, etc.

A special effort will be made to market the directory to EPC firms and contractors, equipment manufacturers, technology providers, raw material suppliers, sector consultants, etc. We organize several conferences specific to the Roads and Bridges sector and participate in important trade shows where the Directory will be given out to delegates, sponsors, exhibitors, visitors, speakers. The audience here is a mix of Technical and Marketing experts.

The Directory will be of tremendous reference value and will have a shelf life of at least one year. The printing, production and paper quality will be of the highest standard. It will provide an excellent platform for organisations in the Indian road sector to showcase their products and services or to highlight their achievements and contribution to the sector.
